## A Letter from the President

The spring season is off to a great start at the Club. The golf course is looking good with the work on the #3 green nearing completion. We appreciate some of our members pitching in with a day of volunteer help on this project. These members took the initiative to help on a day when the grounds crew was understaffed. As many are aware, the Club is aggressively trying to hire more seasonal workers this year. Hopefully, the Club's advertising through social media and several schools will help over the next couple weeks.

Our staff excelled during our largest Easter Brunch of the past 10 years. The second seating slot was sold out with over 477 served for the day. The Club is definitely seeing a pickup in activity in the Grillroom for special events and during normal operating hours. The feedback on the renovation has been positive with members enjoying the new atmosphere and menu. Management is excited to open up the new deck for outdoor dining in the next couple of weeks. Keep an eye on Facebook, our new website, and your emails for updates from the Grillroom. Make sure to get your reservations early for our upcoming Mother's Day Brunch.

The Spring Membership Campaign is off to a great start. Please make plans to attend the Business After Hours being hosted by the Club on Monday, May 6th at 5 p.m. This will be a great time to bring a guest to the Club. With the renovation completed, your Membership Committee and management believe this is a great way to get more people into the Club to see the upgraded facility. Another great way to introduce the Club is to bring prospective members out for a complimentary round of golf or meal. Also, keep in mind that our new Junior Membership kicks off in June. Our Club has several very talented young golfers that are a great example of the benefit of playing and practicing at our course. If you see Kate Hanni on the range, tell her congratulations on her recent win at the Justin Thomas AJGA qualifier at Harmony Landing Country Club.

The Club calendar is full of events for May. Our Bridge Association is always looking for more players, and would be happy to plan time to teach the game if interested. Please don't hesitate to reach out to Stan or Brittany if you have any questions about an event or are looking for a way to get more involved.

I hope to see you at the Club soon.

Sincerely,  
Shaun Kiser, *President*

## From the Manager's Desk

The season is here. Seems only last week we started work on the Entry Foyer, Grill Room and Deck renovations. I want to thank everyone for your patience during these projects. The Grill Deck construction is underway with completion planned for around the first of May. The atmosphere in the Grill Room has completely changed for the good. Hope all are enjoying the new look.

May starts with many activities, Golf events, Derby Party and our Business After Hours on Monday, May 6th. Very busy start to the month.

We had a great turn out for our annual Easter Sunday Brunch with 477 in attendance. The second seating was completely sold out on Thursday before. So, remember Mother's Day and make your reservations early for Brunch on Sun., May 12th.

A couple of mentions for two of our members. Kate Hanni won the qualifier at the Justin Thomas AJGA Event at Harmony Landing by shooting a 72. That along with other events has Kate qualified for our AJGA event here at BCC. Good job Kate!

The other member is our own, Steve Towler who was selected as the 2019 Elk's Sports Day Nominee. Steve is a worthy nominee with all his community service and sports background at Boyd County High School. Well deserved, Steve, congratulations!

Golf leagues are starting and the best way to meet other members is to take advantage of these opportunities. They are fun and open to all skill levels. Call the Golf Pro Shop to sign up and enjoy.

The new fiscal year has started well and I hope this continues enabling you, the members, to have the very best experience possible at your Club.

See you soon & often,  
Stan Timberlake, *General Manager*

## From the Chef's Table

I got two words for you, Gala and Easter. These two events were a blast! We fed 400 on Gala and almost 500 at our Easter Brunch. Preparation for these events included many days of coming in early and staying late. I want to congratulate and thank our great service staff, my kitchen crew and our very necessary housekeeping personnel. Everyone pulled together and presented two very successful events at the Club.

The month of May is now here and I'm looking forward to the many golf events, Cinco De Mayo, Mother's Day Brunch, the Pool opening, and our Wine and Dine dinner.

I'd also like to talk about the MGA Golfer's Grill. I've always considered the Grill a place to get to know our members and show off how a good burger and hot dog should be done and done right. The golfer's grill means a lot to me and it is a great place to enjoy a hot, grilled burger or dog. We have a new cook that will be on the grill this season that you'll get to see and meet and yes, his Chico burgers are almost as good as mine. His name is Eric, so come out and meet him, heckle him, and try his food. We look forward to seeing you.

Your Chef, Chico Clifton

## On the First Tee

Congratulations to Rob Golden, Rick Roberts, Jason Blankenship and Rex Cooksey for winning the MGA Kickoff Scramble. We had 76 participants play in the Kickoff Scramble and I want to thank all who participated. I would like to remind everyone that the Tuesday Men's League has started and we tee off at

5:30 p.m. If you are new to the Club this is a great opportunity to meet some new people.

I want to take some time and talk about some of our rules and policies. Social members are allowed to play golf four times a year during the peak season which is April thru Oct. Social members do not have driving range privileges and if you do come out and use the driving range this counts as one of the four times. Members are allowed to bring in-town guests four times during the peak season of April thru Oct. There is no limit to out-of-town guests. If you have any questions regarding these policies feel free to call the golf shop, (606) 329-1966.

Jeff Bostic, PGA Head Golf Professional

New driving range mats have been installed and look great. Come on out and perfect your swing.
