

the Club News

A Letter from the President

It's an exciting time of year at your Club. The golf season is about to get started, the Grill Room renovation is finished, and all of the Club's committees have been formed. Committees have been meeting and are bringing recommendations to the Board each month.

Last month, your Board approved the Finance Committee's recommended budget for the upcoming year. The Club just wrapped up a positive fiscal year, finishing with net revenue ahead of budget primarily due to the decisions made during the previous budget process and the attention paid by management to controlling expenses. This year, the budget includes 2% dues increase which is lower than last year. The budget also includes a \$500 per member contribution to the capital improvement fund that can be paid over the same time frame as previous years.

This capital fund payment is lower than originally projected due to the work of management and the House Committee to complete the renovation of Grill Room under budget. During the shareholders meeting last November, the Board reported that the renovation would probably result in a capital fund contribution requirement of \$600 per member with the possibility that additional funds would be required for other expected capital expenditures. I'm pleased to report that even when the new deck is completed this spring, the project will cost much less than projected. The Club also received several generous donations toward the project. In summary, the 2019 capital improvement fund contribution will cover the renovation and some normal capital expenses that are required each year. This includes completing the approved capital project of fixing the bunkers and drainage around the #3 green. The work has started and should be wrapped up by early April.

The Spring Membership Campaign kicks off on April 1st. We hope this campaign will be as successful as last year. Also, don't forget to make your reservations for Easter Brunch early.

I hope to see you at the Club soon.

Sincerely,
Shaun Kiser, *President*

- Sat., May 25 - MGA Member-Member
- Sat., May 25 - Pool Opening Day
- Fri., May 31 - Wine & Dine Bourbon & Blues

From the Manager's Desk

Since the beginning of the new year this has been a very exciting time at the Club. The Grill Room & Foyer renovations have been hugely successful gauged by the responses received from the membership. Thanks to all the Committee members for their input during this project.

A few small unfinished items will be completed very soon.

The Deck Phase will be starting in the next couple of weeks. Architect drawings and building permits are in the process with construction slated to begin by mid-April and completion by the first of May, (hopefully, with weather permitting).

It is so amazing to see people walk into the new Grill Room for the first time and see the "Wow" look on their faces.

The Paramount Arts Center Annual Spring Gala, "Royal Night" will be held at the Club on Sat., April 13. So that means an event tent will be setting up in the parking lot as in previous years. The tent is scheduled to be erected on Tues., April 9. Signs will be posted concerning parking for our membership and their guests using the Club during that week. Thank you for your support and understanding as the Club is involved with this very worthwhile community event.

I want to thank all of our Committee members for volunteering their time serving for the advancement of the Club. This truly is an extraordinary time to be involved with Club guidance and progress.

Our Spring Membership Campaign is April 1 - May 31 with discounted initiation fees on Social and Full Golf memberships. Share this news with your friends and be rewarded with a Grill Room gift certificate for sponsoring a new member. Let us know and we'll send your prospective member an informational packet.

Spring has arrived and hopefully weather permitting we can get outside and enjoy all that the Club has to offer.

See you soon & often,
Stan Timberlake, *General Manager*

From the Chef's Table

There's a lot going on this month at the Club. The excitement of the Paramount Arts Center Spring Gala is within arm's reach. This is the twelfth year that I've been privileged and honored to have been a part of this great community event. The Gala has always meant a lot to me and been close to my heart, with it being one of the reasons I fell in love with food.

The Spring Wine and Dine, Easter Brunch, Men's Tuesday Evening League, Administrative Assistant's week, Ladies Golf League and MGA Kickoff are starting up, so saying that "yes" there's a lot going on this month at BCC is a true statement. All this makes my heart happy!

I want to thank my new Kitchen staff for executing all that I ask of them. Most of them have never stepped into a professional kitchen. I want to thank all of our members who have given me some great and very needed feedback.

Some of you may know a young man that has been a part of the Bellefonte family for years. He has spent summers as a lifeguard at the BCC pool and other parts of the year as a dishwasher, salad cook, grill guy and "anything else that needs to be done guy". Alex McCarty is leaving us to pursue Culinary School. I wish you the best Alex, and I know you will do well and remember, you are always welcomed back.

Your Chef, Chico Clifton

Around the Clubhouse

Warmer weather is just around the corner. Last month we welcomed a new menu in the Grill Room, with tons of new spring flavors to try. I hope to see lots of faces in the newly renovated Grill Room.

The Paramount's Annual Spring Gala will be held here at the Club on Sat., April 13. The parking lot and banquet areas will be bustling with set up beginning on Tues., April 9.

Wine and Dine for April has a Spring theme. It will be held Fri., April 19 with cocktails beginning at 6:30 p.m. Chef Chico is working on an indulgent four course meal using fresh ingredients inspired by the season. Beef and fish options will be available.

Easter Brunch plans are underway. The menu will include something for everyone, complete with carving stations and decadent dessert selections. The Easter bunny will be stopping by for a visit. The kids will also enjoy an Easter egg hunt for the Golden Egg and tons of treats, made especially for them on the dessert buffet.

Treat your coworkers to a lunch at the Club to celebrate Administrative Professionals Week. Weds., April 24 through Fri., April 26, the Club will offer an expanded Soup, Salad and Dessert Buffet as well as speedy daily lunch specials.
